# OUR SERVICES

## New Styles

As a part of our 25th year in the business, as well as the launch of our new logo, we have also refreshed the look of our fleet.

Our trucks now proudly feature the updated logo, ensuring they make a stylish statement on the road.

## What We Always Will And Still Stand For

- Daily status reports
- FTL and LTL services
- ISO, GDP, SQAS, TÜV certifications
- 24/7 availability
- Shorter transit times with two drivers
- Communication in local language
- Personal Consulting
- Price-performance ratio
- Environmentally friendly trucks

## CURRENT NEWS

### VIENNA NIGHT RUN

As always, we come together as a team to complete this marathon united in spirit and purpose. We're proud to share this remarkable experience with our entire team, strengthening our bond and celebrating our shared commitment to health and teamwork.

### VERKEHRSZEITUNG

This year, we had the fantastic opportunity to become a part of the renowned "Verkehrszeitung," an important media outlet for the logistics industry. This partnership allows us to build new connections and strategically expand our reach.

### CHRISTMAS CELEBRATIONS

To celebrate our 25th anniversary, this year our team attended an exclusive classical concert at St. Stephen's Church in Vienna. The unforgettable evening was concluded with a delightful dinner, offering us the opportunity to acknowledge and celebrate our long-standing partnership.

Quality Management Representative

### NEW CERTIFICATES

We are also proud to present you the new certificate that Pinar Aydoğan, one of the strongest members of our team, received from Quality Austria: Quality Management Representative
